VINEYARD

Love Ranch, California

The 2015 CRŪ Viceroy GSM was sourced (Syrah Clone 877, Grenache Noir, Mourvèdre 04) from 21 acres on varied slopes of Love Ranch south of Yosemite National Park. The prevailing winds of the region cool the vineyards and help create wines with intense aromas and flavors. During the late spring and throughout the summer months, constant winds of 10mph start around 2pm and last well into the evening, which aides in moderating temperatures of the granite soils on hot days.

WINE ANALYSIS

| | | | |
|------------------|---------------|---------------|---|
| Total Acid | 6 g/l | Varietal | 41% Grenache, 41% Syrah, 18% Mourvèdre |

| pH | 3.7 | Aging Process | 16 Months French Oak, 20% New Barrels |
| Finished Alcohol | 13.9% | | |
| Case Production | 672 | | |

APPELLATION DETAIL

California

TASTING NOTES

The Viceroy is a showcase for the artisanal skills of our winemaker. CRŪ GSM takes its inspiration from the Rhone Valley of southern France where Grenache, Syrah and Mourvèdre are some of the most popular grape types grown. Each of the three grape types blended into this wine adds distinctive aromas and flavors. Grenache contributes raspberry, black berry and cherry flavors, while Syrah lends color, tannins and hints of blueberry and black pepper. The Mourvèdre adds richness to the mid-palate and lengthens the dry finish. The final blend is aged 16 months in 20% new French oak barrels and is truly a staff favorite
